High praise for Glyn 2

- Five years outstanding service
- "I knew she would be a special support assistant"

Congratulations to Jackie Elcock, support assistant from the Cheshunt team, who has just passed her five year anniversary with Bloomsbury. She is pictured above left with George, one of her long-standing clients, and Julie Williamson.

George was full of praise for Jackie.

"She's magnificent. I couldn't cope without her."

Nick Christodoulou presented the award, and remembered the day five years earlier when he had

interviewed Jackie.

"Sounds wise after the event, but I knew that Jackie would be a special support assistant. She had no experience, but her lovely caring nature and willingness to learn made her an ideal candidate."

- Kevin joins Bloomsbury

We have a new Operations Manager!

Kevin Antrobus joined us in August after a spell as registered manager for

Home Instead.

He brings a wealth of experience in providing home care for clients with a range of disabilities. Kevin said: "I'm delighted to be joining Bloomsbury at this exciting time in the company's development. All the staff have been tremendous in welcoming me."

High praise for Glyn

"I cannot recommend her highly enough"

An Ipswich client recently wrote to say a few words about Glyn Dowsett, team leader.

Dear Nick Reference Glyn Dowsett

I felt I must write and bring to your notice the many excellent qualities of the above lady.

Glyn has been looking after my mother, M P of Gressland Court, for some time now, and I cannot recommend her highly enough. Glyn says it is all part of her duties, but I am sure the care she gives my Mother is far above and beyond her normal duty. My mother has been very unwell lately, and the care and attention Glyn has given her, has been fantastic, and I know my mother is in the best possible hands. Please let Glyn

know how very much I appreciate what she is doing for my mother, as she will not accept any thank-you gifts from us. She is credit to your company.

I find Bloomsbury a very well run company. I feel there is a good

relationship with all team members, the base Alston Court is the most lovely place ,with such a good atmosphere amongst people living there and all staff."

A support assistant praises the company

Jo Newbury from the Bloomsbury team in Southend has kindly put pen to paper.

"I would also like to take this opportunity to say how much i enjoy working for Bloomsbury, after starting out as a dental nurse and doing various other jobs, and also running my husbands Plumbing and Heating business, this is the most enjoyable job i have had.

"She is a credit to your company"
